- FMA Management Accounting
- FFA Financial Accounting

Certified Accounting Technician

Above 7 papers plus two options from below:

- FTX Foundations in Taxation
- FFM Foundations in Financial Management
- FAU Foundations in Audit

Moving to the ACCA Qualification

After completing your CAT Qualification, you can continue your studies with the ACCA Qualification. You will be given exemption from the first three exams of the ACCA Qualification (F1, F2 and F3) and your one year's practical experience can count towards the three years of practical experience needed for the ACCA Qualification

Association of Chartered Certified Accountants (ACCA)

To qualify as an ACCA member, you will need to complete:

- ← 13 exams including any exemptions
- ← The practical experience requirement – 3 years
- ← Ethics and Professional Skills Module – online procedure

Admission requirements

a) Minimum entry requirements

Two 'A' Levels and three GCSEs or equivalent in five separate subjects including Maths and English

b) Graduate-entry route

Degree holders can claim exemptions from certain exams within the Fundamentals Levels. You can confirm the above on accaglobal.com

c) Access to ACCA via Foundations in Accountancy

- No academic qualifications required
- Complete the Diploma in Accounting and Business through the Foundations in Accountancy route, and you can continue your studies with the Certified Accounting Technician Qualification, or you can transfer onto the ACCA Qualification, gain exemption from the first three exams and continue your studies from the fourth exam (F4 - Corporate and Business Law) onwards.
